

MySchoolBucks Online Meal Payments

February 9, 2018

Dear Parent or Guardian,

We are excited to offer **MySchoolBucks®!** This secure, online payment service provides a quick and easy way to add money to your student's meal account using a credit/debit card or electronic check. This service allows you to deposit money directly into your child's school meal account and view balance/purchase information for the past ninety days. By having money in each child's account prior to entering the cafeteria, the lunch lines will move along much faster, which gives your child more time to eat and be with friends. You can also view recent purchases, check balances, and set-up low balance alerts for **FREE!**

The MySchoolBucks Online Payment Service will be available starting March 1, 2018.

MySchoolBucks provides:

- **Convenience** - Available **24/7 on the web** or through our **mobile app** for your smartphone
- **Efficiency** - Make payments for all your students, even if they attend different schools within the district. Eliminate the need for your students to take money to school.
- **Control** - Set low balance alerts, view account activity, recurring/automatic payments & more!
- **Flexibility** - Make payments using credit/debit cards and electronic checks.
- **Security** – MySchoolBucks adheres to the highest security standards, including PCI and CISP.

Enrollment is easy!

1. Go to www.MySchoolBucks.com and register for a free account.
2. Add your students using their school name and birthday.
3. Make a payment to your students' accounts with your credit/debit card or electronic check.

A program fee may apply. You will have the opportunity to review any fees and cancel if you choose, before you are charged.

We are very excited to offer this new service and are confident that MySchoolBucks will benefit you, your child and our District.
